

Dayflow Employee User Guide

Your Simple, Step-by-Step Handbook for Daily Work Tasks

MAIN HUB

The Dashboard & Navigation: Your central home screen when you log in. Use the left menu bar to instantly switch between your Profile, Attendance, Leave Requests, Payroll, and Support Center.

MODULE 1

My Profile & Security:

- **View & Edit:** Check your official job details, phone number, and address. Click 'Edit' to update allowed personal details.
- **Digital ID Card:** View and download your digital company employee ID card directly from your profile.
- **Security:** Change your password, enable two-factor authentication (2FA), and link your Google or Microsoft accounts.

MODULE 2

Attendance Tracking:

- **Calendar View:** See color-coded days showing whether you were Present, Absent, Half-Day, on Leave, or on a Holiday.
- **Daily Hours:** Click on any date to view exact check-in/out times, break times, and total working hours.
- **Reports:** Download your monthly attendance summary PDF with a single click.

MODULE 3

Leave Requests:

- **Apply Easily:** Select your leave type (Sick, Casual, etc.), pick your dates, and enter a reason or use voice input.
- **Supporting Documents:** Drag and drop files like medical certificates or prescriptions directly into your request.
- **Live Tracking:** Follow your request timeline in real time from submission through manager and HR review.

MODULE 4

Payroll & Salary:

- **Salary Overview:** View your net take-home pay, gross salary, total deductions, and taxes (TDS).
- **Payslip History:** Check past monthly payslips and download them instantly as PDFs.
- **Tax & Documents:** Access Form 16, investment proof declarations, tax regime declarations, and salary revision letters.

MODULE 5

Support Center & Helpdesk:

- **Raise Support Tickets:** Create support tickets for payroll, attendance, or technical issues and track their status (Open, In Progress, Resolved, Closed).
- **Quick Actions:** Chat live with support, view working hours, or browse popular help articles and FAQs.
