

Dayflow HR Manager User Guide

Your Complete Handbook for Managing Organization Operations & Workflows

HR DASHBOARD

Central Overview: Monitor key organizational health metrics including total headcount, average attendance, pending approvals, and attrition rates at a glance.

1. WORKFORCE DIRECTORY

- **Employee Status:** Access complete employee rosters, department distributions, and real-time attendance statuses.

2. TALENT ACQUISITION

- **Pipeline Tracking:** Manage candidate progressions from initial application and screening through interviews to final hiring.
- **Interviews & Offers:** Coordinate interview schedules, review offer approvals, and oversee recruitment metrics.

3. PERFORMANCE MANAGEMENT

- **Reviews & Ratings:** Oversee review cycle progress, employee performance scores, and rating distributions across departments.
- **Hikes & Promotions:** Manage compensation revisions, promotion recommendations, and review schedules.

4. PROPOSALS & APPROVALS

- **Action Queue:** Review and take action on employee leave requests, purchase orders, and policy updates supported by automated AI summaries.

5. ANALYTICS & INSIGHTS

- **Reports & AI:** Generate comprehensive workforce reports, view predictive turnover risks, and analyze departmental productivity.
